USPTO Fees - FY 2004

[Fees > FY2004 Schedule](#)

UNITED STATES PATENT AND TRADEMARK OFFICE Effective January 1, 2004

The USPTO is amending the rules of practice to conform them to certain amendments made to the Regulations under the Patent Cooperation Treaty (PCT) that will take effect on January 1, 2004. These amendments will result in the addition of a written opinion in PCT Chapter I, as well as simplification of PCT designations and the PCT fee structure. In addition, the Office is adjusting the transmittal, search, and international preliminary examination fees for international applications filed under the PCT to be more closely aligned with the actual average costs of processing a PCT application and conducting a PCT search and international preliminary examination under the new process.

The fees subject to reduction for small entities that have established status (37 CFR 1.27) are shown in a separate column. For additional information, please contact the General Information Services Division at (703) 308-4357 or (800) 786-9199. Payments from foreign countries must be payable and immediately negotiable in the United States for the full amount of the fee required.
